COUPON PROMO

Dear Customer,

In this crazy moment, we decided to wide the range of products to offer with special promotion, therefore, together with the products already in promotion like the MWG Vertical Filter Housing in AISI 316L, Flowmeters, Conductivity Probes, Solenoid Valves and Activated Carbon RA206 (coconut base), we decided to insert in this promotion contest also the Softeners Cabinet Joker series.

We granted this coupon while stocks last, so, presenting it to Customer Service you will receive up to 70% discount on many items on promotion if on stock.

Promo Details:

- Save up to 70% discount on these products and many others.
- Chance for hard discount on some products if not available on stock.

Discover which promo allow this option taking contact with us on eurotrol@eurotrol.it or our Area Manager.
